

Self-Onboarding and Source Registration Guide

Self-Onboarding Guide

1. Go to the portal signup page

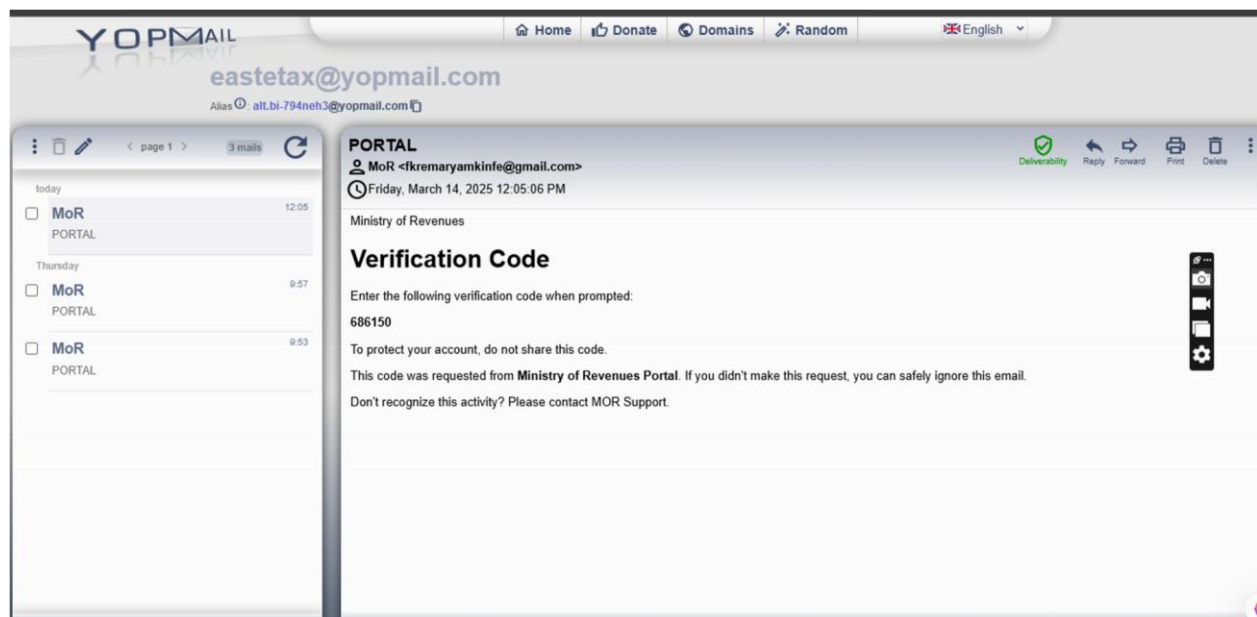

The screenshot shows a web browser window with the address bar displaying "10.1.10.74:7000/signup". The page title is "Ministry of Revenues - EIMS Portal". The header includes a "Sign In" button and a "Get Started" button. The main content area features the Ministry of Revenues logo and the word "PORTAL". A central "E-Invoice Registration" form is displayed, containing a "TIN" input field, a "Verify via" dropdown menu with the option "Select verification method", a checkbox for "I accept the terms and conditions", and a "Register" button. A link for "Already registered? Login" is located at the bottom of the form. A mobile app icon is visible on the right side of the page.

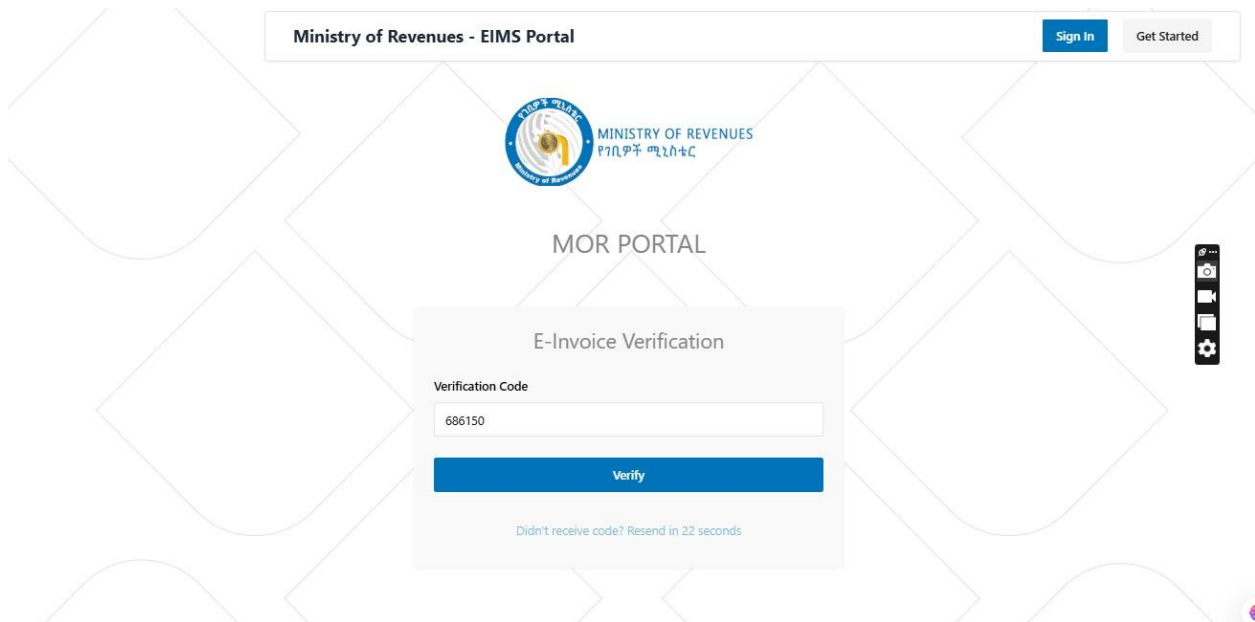

2. Enter your tin, choose a notification option, and check the terms and conditions check box, then press register.

The screenshot shows the 'Ministry of Revenues - EIMS Portal' registration interface. At the top, there is a header with the ministry's name in English and Amharic, a logo, and buttons for 'Sign In' and 'Get Started'. The main heading is 'PORTAL'. The central form is titled 'E-Invoice Registration' and includes a 'TIN' field with the value '0000998831', a 'Verify via' dropdown menu set to 'Email', a checked checkbox for 'I accept the terms and conditions', and a blue 'Register' button. A link for 'Already registered? Login' is at the bottom of the form. On the right side, there is a vertical toolbar with icons for a camera, a document, and a settings gear.

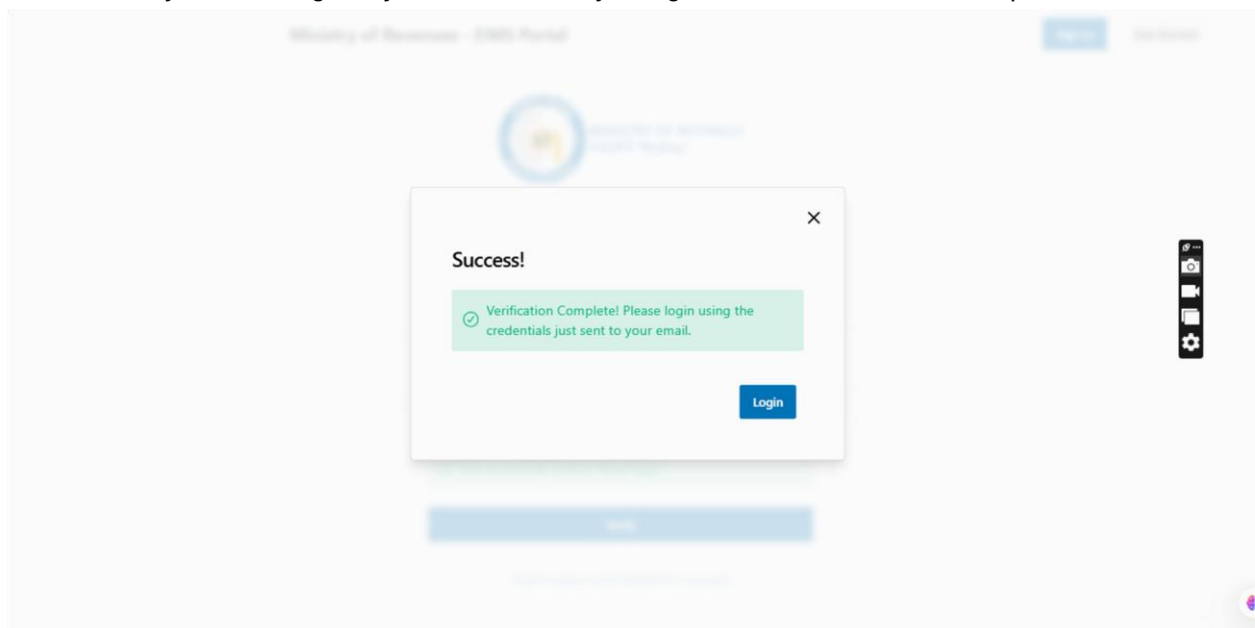

3. You will receive a verification code via the notification option you have selected, for email if you don't get it in the inbox check the spam folder

4. Enter the verification code and press verify.

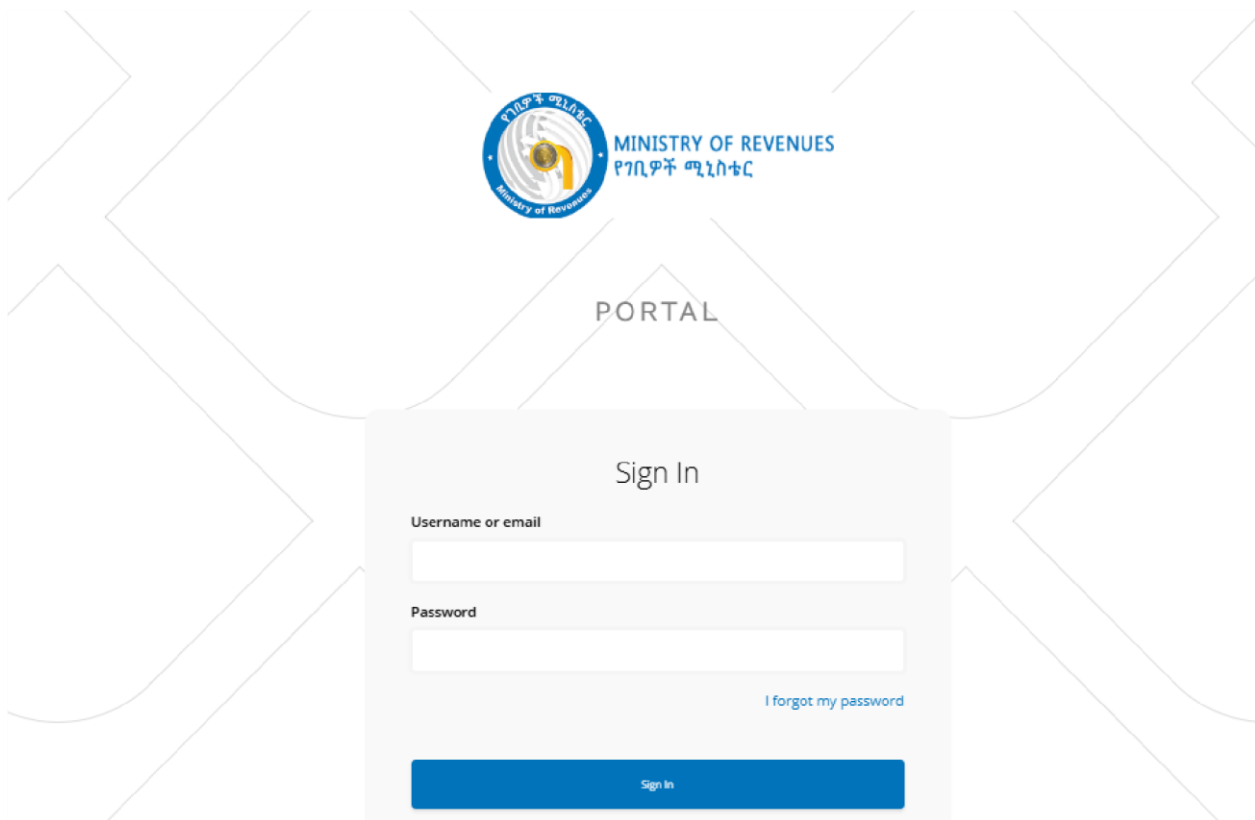

5. The system will register your tin and send you login credentials to access the portal.

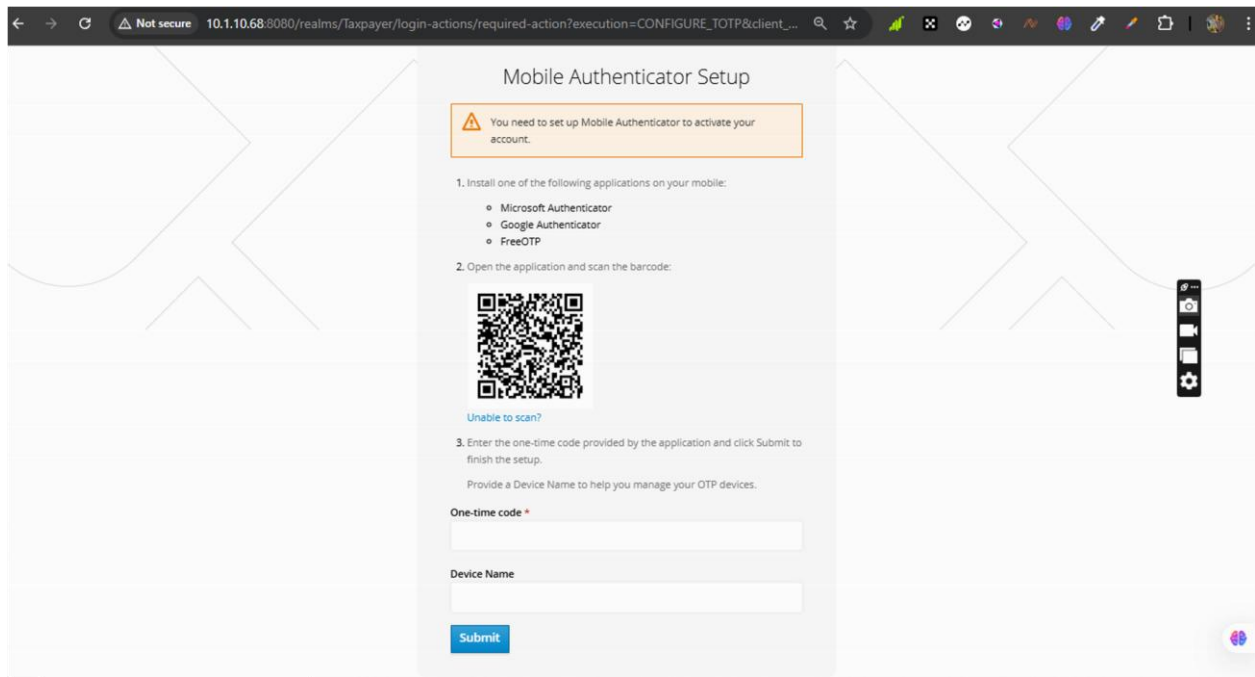

6. Use this login credential to login to the system

7. Go to the login page of the portal and enter those credentials

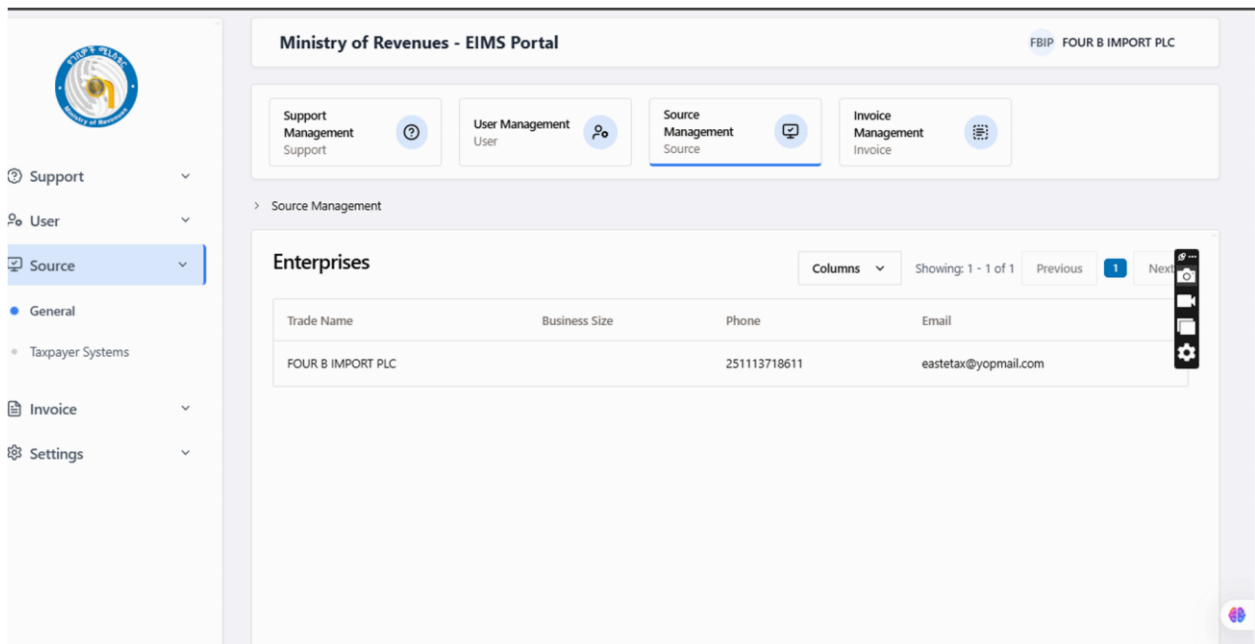

8. Enable Two-factor authentication

Source Registration Guild from Portal
